Nationally known genealogist Peggy Clemens Lauritzen, AG, will present her program *“Genealogy Travels with Miss Peggy”*. Peggy and her sisters have made dozens of trips to Appalachia to research their ancestry and found out that it helps a great deal to have family members who are also interested in genealogy. In this presentation we will join Peggy as she recounts her most exciting and memorable adventures in the foothills of the Appalachians. Please join us for what should be a most interesting presentation.

Price per person is \$20.00 (children 4 and under eat free)
